

Talbot Sunbeam Lotus

May 2009

Ref: 63860

The Talbot Sunbeam Lotus is the latest SCX Classic rally car to be produced in 1:32 scale. Faithfully represented here with the white and blue decoration raced in the 1980 Lombard RAC Rally by Henri Toivonen and co-driver Paul White. At 24 years old Toivonen became the youngest driver to win a world rally championship event while driving this car to his historic win.
