Banked Curve

Add more fun to your race:

SCX Banked Curve will allow you to take the bends at full speed and maintain the same grip to the surface. Add more realism to your race especially in tri-oval tracks like NASCAR

-Overtake your rivals in this part of your track. The 15° angle allows all types of cars to drive though (even the longest cars: GT and F-1) without any problem.

-Special supports and the borders make this curve very stable and....free to run at full speed!!!!.

Includes:
4 banked curves
9 supports
3 standars borders
3 small borders
