

Chevrolet Corvette – Safety Car

Ref: D10051X300

After the huge success of the first Safety car (Seat Leon), SCX is proud to launch another very attractive version of this special car: This Chevrolet Corvette in a bright yellow colour and with flashing lights on the top!

Two different operating modes:

- ⤴ Hindrance car: the car will run by itself and the players have to overtake it.

- ⤴ Normal car: the car can be used as a normal one controlled by a player.

Removable and Adjustable Magnet

Guide with suspension

ARS Guide (automatic return system)

Tilting chassis

With brakes

Xenon-effect high-intensity headlights
